

Caravans & camping

Publicity information

We are a White Rose Award winning Tourist Information Centre with the advantage of being right in the middle of Thirsk Market Place. **To promote your caravan site and/or camping we offer personal interaction with visitors and a high-performance website** which is regularly accessed by people from all over the UK, Europe and as far away as China and Russia. Our webcam is regularly watched by an international audience showing whatever is going on in the Market Place, where there is also free Wi-Fi allowing easy access to all the information on the www.VisitThirsk.org.uk website.

We are a not-for-profit organisation, run entirely by local unpaid volunteers with great knowledge of Thirsk and surroundings, and enormous enthusiasm for the whole area. We want to assist businesses, attractions, local people and tourists, yet have no funding from any agency or authority. At a time when councils all over the country are closing tourist information centres, we are one of the few that are expanding our services to the benefit of visitors, residents and North Yorkshire businesses.

We offer you a **Premium listing** on our website including a photograph of your accommodation, your address, telephone number and clickable links to your own website and email. We will make use of your own information, which we will update at any time on request. There will be a printable Ordnance Survey map of footpaths surrounding your premises. We send you a regular update of events in the area for your own, and your clients' use, including a daily newspaper by email.

In the shop itself we will display your leaflets alongside more general information, walking & cycling books, leaflets and gifts – but the fund of knowledge of our volunteers is our chief asset, as demonstrated by the comments in our visitors book.

For various categories of business we offer an annual subscription of £75 for a full webpage, and/or £45 for an advert, which we can design for you and which will appear randomly on more than 250 webpages. Please check our website at www.VisitThirsk.org.uk to see examples in each category.

We hope that you will support us by helping us better promote your business and by completing the enclosed order.
